NSWAA PRESIDENT'S REPORT

In 2024, woodchopping in NSW saw significant growth, with more woodchops taking place than in previous years, and from our January to June events list it looks like 2025 will again be a busy year for our sport.

I would first like to express my gratitude to the current NSWAA committee. All committee members are passionate about woodchopping and their dedication has been crucial to our current success and direction.

I would like to acknowledge the NSWAA member Associations and those who put their hands up year after year to run the Associations and their related woodchopping events.

Since our AGM in March 2024, the NSWAA has achieved the following:

- Appointment of Coach and Manager for the U21's NSW state side
- Successful completion of the NSW U21's tour to Gatton, Queensland
- Selection of State squads by June each year
- Modernisation of the current NSW constitution
- Development of a NSWAA sponsorship document, resulting in a receipt of \$4,500 in sponsorship for 2024
- Ongoing meetings with NSW Forestry, The Department of Sport and The Department of Primary Industries
- Acceptance of a new association into the Federation of NSWAA – Capital Country Woodchopping
- Reintroducing the input from Association Delegates to NSWAA meetings
- Dialogue for a state-wide handicap system
- Commencement of working towards an inaugural women state team

Thank you to our new NSWAA sponsor, TRN Group, for coming on board this year and to JRT Bulk Haulage for their ongoing support of the NSWAA Under 21s team.

We hope to more attract new sponsors in 2025 whose support will be essential for elevating our sport and inspiring future generations.

Thanks to Megan Scrivener for producing the Calendar or Events book and managing the Instagram account and website.

As members of NSWAA we all have a common goal – to progress our sport. We want to see woodchopping continue to thrive and one of the reasons we have achieved a significant amount in such a short time is that we have recognised that the landscape of the sport has changed. We are facing wood shortages and addressing this, amongst challenges, will require a little out-of-the-box thinking and a new approach.

I have been researching potential grants for NSWAA and our Associations, recently forwarding a grant opportunity for the supply of Automated External Defibrillators (AEDs). I strongly recommend that each association apply for this grant and purchase an AED to keep accessible at every competition or demonstration. An AED is portable, easy to use and will save lives.

On page 4, as a reminder, you will find the new protective sock regulations. Associations please ensure all competitors at your events comply with these new AAA rules. Any competitor unwilling to do so must be deemed ineligible to compete.

In recent news, congratulations to the NSWAA team for their success, winning the three-match series against the South Island team in Nelson.

A special thank you to the Nelson Axemen's Club for hosting the series and to Noel Marsh for his commitment to tour management and fundraising efforts for the team. We look forward to hosting the series against the New Zealand South Island team at Nowra Show in 2025.

Finally, each year with the wood supply challenges, insurance and regulations, we need to ensure we foster women and children into the sport, have regular 'Come and Try', and training sessions. I believe strength in numbers will improve our sport and provide us with more opportunities.

All the best, keep chopping,

Shaun O'Connor

President, NSWAA

The brand of a flaming good axe

Osborne Axes, quality,
custom-made racing axes,
proven in a variety of timbers.

Range includes:

The Bluey

One of the best performers
in firm timber. Medium size,
with a long flat chisel and the
barest hollow grind.

The Queenslander

A traditional banana grind,
with a larger face than most
axes, exaggerated hollow
grind and a bust set well back.

The Ossie

A conventional grind, not
for the faint hearted.
Specifically designed
for softwoods.
