The brand of a flaming good axe

Osborne Axes, quality,
custom-made racing axes,
proven in a variety of timbers.

Range includes:

The Bluey

One of the best performers
in firm timber. Medium size,
with a long flat chisel and the
barest hollow grind.

The Queenslander

A traditional banana grind,
with a larger face than most
axes, exaggerated hollow
grind and a bust set well back.

The Ossie

A conventional grind, not
for the faint hearted.
Specifically designed
for softwoods.
